

A NOTE TO OUR [GUESTS]

while visiting Country Lake
Christian Retreat

WHAT ARE WE DOING?

COMPLETING

daily staff health screening and temperature checks

REPLACING

water fountains with hands free water bottle filling stations

UPGRADING

to hospital grade disinfectants

SANITIZING

high touch surfaces repeatedly throughout the day

INCORPORATING

courtesy signage for hand-washing and social distancing recommendations

MODIFYING

seating in dining and conference spaces to accommodate for social distancing; please help us honor spacing by not moving furniture

REPLACING

buffet style meals with safer alternatives without compromising the quality of the food we serve

SUPPLYING

hand sanitizing stations in common areas and around the property

PROVIDING

questionnaire and temperature scan upon arrival to ensure the safety of visitors and our staff

HOW CAN YOU HELP?

If you are sick, not feeling well or symptomatic, **please stay home.**

Vulnerable individuals should wear PPE recommended by the CDC or delay visit until a later date

Temperature check and health questionnaire upon arrival (temp of **100.4** or lower)

Complete a **daily** self-health assessment while at Country Lake

Honor social distancing and be **socially responsible** (respect others)

Wash hands **often** and **properly**

Avoid handshakes, hugs, and high-fives

No "community snack bowls"; please ensure snacks are either **pre-packaged** or **individually wrapped**

Avoid moving furniture and **honor** the spacing guidelines

Report anyone who becomes **symptomatic** and Country Lake will assist in **proper measures** including departure
