

[ACTIVITY] GUIDELINES

for a safe visit to Country Lake
Christian Retreat

WHAT ARE WE DOING?

- PROVIDING** mobile hand washing or sanitizing stations at activity areas
- EXPLAINING** safety briefing to inform guests on expected measures
- WEARING** PPE when adequate spacing is not possible and when responsible for facilitation of activities
- MODIFYING** procedures to allow adequate space and limit close contact during activities
- SANITIZING** before, during, and after activities to ensure the safest environment possible

[OUR TOP PICKS] for social distancing activities

1. Zip lining
2. High ropes course
3. Paintball
4. Archery
5. Axe throwing
6. Beach swimming
7. Disc golf

HOW CAN YOU HELP?

- Wash your hands **often** and **properly** when stations are available
- Use hand sanitizer **before** getting in line
- Mask Up** for indoor activities when social distancing is not possible
- Cover coughs and sneezes appropriately and **immediately** wash your hands
- Honor** spacing requests from facilitators and be **respectful** of other's space
- Always** let a **Country Lake staff member** know if you are not feeling well or are symptomatic
